

Commitment To Protect Forest Areas From Illegal Activities

PT Toba Pulp Lestari (TPL) through Biodiversity Policy committed to protect forest areas from illegal activities in all operations.

TPL commits to carry out ecosystem-representing landscape conservation, biodiversity protection, and management of protected flora and fauna.

TPL commits to environmental and social responsibility and encourages environmental responsibility amongst its stakeholder groups (e.g. suppliers, community, etc.).

TPL ensures the supplies are aligned and take the measure(s) following this policy.
