

PT Toba Pulp Lestari's Supplier Engagement

PT Toba Pulp Lestari (TPL) implements corporate values or company policies and compliance with government regulations is carried out by including them in cooperation contracts with all supplier.

PT TPL has a Supplier Evaluation Scoring System that is used for determining supplier performance at PT TPL. By knowing the supplier's performance, PT TPL can determine the economic aspect of TPL's sustainability for collaboration in the future.

TPL selects and empowers its local suppliers based on their commitment on delivery, supply, quality, cost and lead-time.

TPL favours local entrepreneurs and in 2020, PT TPL has an Evaluation System for contractors (suppliers), out of 224 suppliers assessed/evaluated, there are 204 (91,07%) Suppliers who have complied with company/government regulations/policies.
