

## Intact Forest Landscape Area Near TPL Concession Area

Based on the field observations from TPL HCV Assessment and overlays on the Intact Forest Landscape (IFL) map from Global Forest Watch (2013), the IFL isn't in or part of TPL's operating nor licensed concession area. However, two IFL is identified at a distant of 78km (approx.) and 93 km (approx.) outside of TPL's operating and licensed concession area. Refer to the map below for details.
