

Commitment To Protect Forest Areas From Illegal Activities

PT Toba Pulp Lestari through the Biodiversity Policy committed to protecting forest areas from illegal activities in all operations.

TPL commits to carrying out ecosystem representing landscape conservation, biodiversity protection, and management of protected flora and fauna. TPL commits to environmental and social responsibility and also prohibits illegal activities amongst its stakeholder groups (e.g. suppliers, community, etc.).

TPL ensures the suppliers are aligned and take the measure(s) following this policy.
